HAVE YOU SEEN THE “SHORT-CUT GUIDE TO GETTING READY FOR PROVIDERONE”?

This printable sheet provides an overview of the necessary steps to prepare and includes web links to help you get started. Access it at <http://hrsa.dshs.wa.gov/providerone/documentation/6-step%20guide%20to%20post.pdf>

DO YOU HAVE OUR CORRECT URL SAVED IN YOUR FAVORITES?

Some time ago our website changed from <http://maa.dshs...> to <http://hrsa.dshs.wa.gov/providerone/providers.htm>. While you should automatically be redirected to the correct **hrsa** URL, we occasionally get a report that the redirect is not working. If you have our website bookmarked in your favorites, please make sure it points to <http://hrsa.dshs.wa.gov/providerone/providers.htm>

WHAT IS PROVIDERONE?

The Washington State Department of Social and Health Services (DSHS) is replacing its current Medicaid Management Information System with a new payment processing system we have named ProviderOne. ProviderOne will be the primary provider payment processing system for DSHS. When fully operational, it will pay about 100,000 providers who serve 1 million people who qualify for DSHS services each year. Visit our website <http://hrsa.dshs.wa.gov/ProviderOne> to learn more.
